Dear Jerry,

In response to your letter of 21 September to Kate Davies, please find answers to your questions about Aylesbury rents below.

As stated in the S106 agreement between Notting Hill Housing and Southwark Council, rent levels will be set according to the formula in the Guidance for Rents on Social Housing, May 2014 and the "Rent Standard Guidance April 2015" including Appendix 1. We therefore don't yet know exact figures for the new rents. Any figures provided are forecast rents only and are subject to market forces and government policy.

The following information on new Aylesbury homes was provided to the GLA as part of our 2015-2018 Affordable Housing Programme bid:

1. Notting Hill Housing bid for 348 homes under this programme.
2. The bid was for 328 at Capped Rent and 20 homes at Discounted Rent.

*Note: The 20 at Discounted Rent were Extra Care homes which have now been converted into social rent homes (Capped Rent).*

3. The following table illustrates the prospective Aylesbury rents that were entered into IMS. All figures are inclusive of service charges.

*Note: "Aylesbury B&C" refers to the First Development Site. "Ph1, Ph2, Ph3" etc. refers to the development plots within the First Development Site at that point in time.*
